Low VOC

Abiding by strict government regulations, Evolve Signature Collection is a water-based paint having low amounts of VOC. With an off-gas lesser than traditional paint, it causes minimal pollution to the atmosphere and is the perfect paint choice for indoor environments.

Paint + Primer

Signature Collection is an exquisite, ultra luxurious paint + primer that provides a stunning finish with a silky glowing appearance to the wall and adheres well to paintable surfaces.

Washable

Allows stains to be cleaned easily for those spotless, glowing walls with colors that remain vibrant for just as long.

Durability

Evolve's Signature Collection has high durability, making the white last longer, whilst maintaining the same hue and intensity.

Low Odor

Evolve Signature paint lacks solvents and toxins and has minimal VOCs, which ensure that the heady, unpleasant and strong smell of freshly painted rooms that often lingers for weeks is absent. This low odor paint ensures the interior air quality is not compromised.

Coverage

Evolve Signature Collection's smooth application allows for exceptional coverage which leaves an ultra-silky, rich finish that looks great from any angle.
