Made with  in the USA

Low VOC

Manufactured keeping in mind it's usage in homes, schools and other environments and hence has a maximum VOC of 150 g/L. This ensures less pollution and better quality of indoor air.

Paint

Summit is formulated to provide great performance on both interior and exterior surfaces, to deliver perfectly tough, clean surfaces, in and out.

Washable

Summit allows stains to be cleaned easily for those spotless, fresh looking walls with colors that remain vibrant for just as long.

## Durability

With Summit's high durability, the color lasts longer, while maintaining the same hue and intensity. Resistant to stains, grime, burnish, cracks and chemicals.

## Low Odor

Summit's formulation ensures near zero odor. Created for users who are sensitive to paint odors that can cause eye irritation, dizziness, breathing issues and headaches.

## Coverage

Summit's slick application allows for exceptional coverage which leaves an opaque and sophisticated look with its flat finish.

## FEATURES OF SUMMIT

### Trusted

Summit is a premium latex paint with a flat finish that meets all the quality standards set by the Government of the United States of America.

### Recycled

Made from a minimum 50% recycled post-consumer paint, Summit prevents landfill dumping and reduces pollution.

### Smooth Finish

Summit is available in a flat finish which has the least shine. It works great for interior walls and ceilings.
