PRIMERS

DRYWALL PRIMER / SEALER

A quick drying, water base primer for interior drywall, acoustical tile, and masonry. It seals wallboard and joint compound, providing excellent hold-out for application of the finish coat. This primer is an ideal base for latex and alkyd enamels, as well as epoxy coatings. It will provide a smooth finish and even sheen to the topcoat appearance.

- **Good Hide**
- **Sandable**
- **Quick Dry**
- **Superior Holdout**
- **Low VOC & Low Odor**
- **Improves Appearance of Topcoat**

UNIVERSAL PRIMER

A 100% acrylic interior and exterior primer / sealer for use on bare wood, metal and masonry. It is perfect for glossy, slick, peeling or other hard to keep painted surfaces. It works well on exterior plywood, hardboard siding, poplar, pine, oak and fir, and has great adhesion to bare galvanized metal. Indoors, Universal Acrylic Primer will seal light smoke and water stains on walls and ceilings, and is an ideal primer for plaster, drywall or under wallcoverings. It is sandable and with excellent “holdout” and makes a perfect enamel undercoat on new woodwork.

- **Interior & Exterior**
- **Incredible Hide**
